

LexElite® Excess Flood Insurance

For many homeowners in flood-prone and coastal regions, the \$250,000 building/\$100,000 contents coverage limits available through the National Flood Insurance Program (NFIP) are far from adequate. Mid to high-value homes need substantially more – and that is what RSC SolutionsSM delivers.

RSC Solutions provides access to LexElite® Excess Flood Insurance from Lexington Insurance, providing additional, tailored amounts of coverage above the maximum NFIP limits. Coverage can be provided on a stand-alone basis or paired with other LexElite Homeowners Insurance coverages.

With RSC Solutions, brokers have access to a full service insurance brokerage firm with nationwide offices. RSC Solutions provides direct, local access to market-leading property, casualty, and specialty insurance products and services from Chartis and Lexington Insurance.
