### Coverage Highlights

The insurance program includes:

- ISO HO-3, HO-4, and HO-6 policy forms
- Homes owned by corporations, limited liability companies, estates, and other entities can be covered
- Earthquake coverage or earthquake exclusion
- Replacement cost and all-risk coverage on contents; extended replacement cost options available
- Most standard ISO endorsements available
- Optional builder's risk liability and theft of building materials coverage

With the LexElite package policy, insureds can extend homeowners insurance to include coverage for excess flood, personal umbrella liability/excess personal liability, or a personal articles floater. By purchasing any of these coverages with homeowners insurance, policyholders can benefit from rate discounts and help to prevent gaps or overlaps in coverage. A LexElite package policy also streamlines insurance management with a single invoice and renewal date.

RSC Solutions provides nationwide access to LexElite Personal Lines Insurance from Lexington Insurance Company (Lexington). Lexington, a Chartis Company, is the leading U.S.-based surplus lines insurer with the financial strength that policyholders can count on long term.
